

6th April 2020

Dear Parent/Carer

Re: Easter and E-safety

First of all I wanted to thank you all for your continued support during these unprecedented circumstances we find ourselves in. Today would ordinarily mark the beginning of the Easter half term and below I have outline our plans to support your child over this period.

Week beginning 6th April.

Work will be set every day this week, with the exception of Good Friday. Daily phone calls will continue to be made on the days your child would be expected in, again with the exception of Good Friday.

Week beginning 13th April

We will not set any additional work for pupils during this week, however daily phone calls will be made, with the exception of Easter Monday.

Week beginning 20th April

We will return to normal. Daily work will be set and phone calls will be made.

As asked in our last update please ensure that your child is up and available to take our calls by 10.30am.

E-safety

As with the majority of schools across the county, we have moved over to remote learning using apps such as Show My Homework, and our new school email accounts.

This means that we will be relying heavily on web based tasks and activities to support your child with their learning. As a result we have attached various resources to support you in keeping your child safe online.

Take 1 is committed to safeguarding all of the young people in our care and this includes keeping them safe on the internet.

If you have any concerns about your child's internet usage and wish to discuss further please do not hesitate to contact me.
